PROJECTS

News application
Oct 2022 - Oct 2022

https://github.com/raunak-dows17/News-App

As a developer, I successfully designed and developed a news application using React Native and the news API. This project marked my first endeavor in React Native, and I am proud to have created an efficient and user-friendly application

Real Time Chat Application
Jun 2022 - Jun 2022

https://github.com/raunak-dows17/Realtime-Chat-Application

This is a realtime one-o-one chat appliction. A user can also make a group of other users. I made this website using MERN stack.

Weather report web application
Jun 2022 - Jun 2022

https://github.com/raunak-dows17/Weather-Report

I developed using ReactJS and the OpenWeather API. This project showcases my expertise in frontend development and my passion for creating practical and user-friendly applications.
This project demonstrates my ability to utilize ReactJS.

Music player

May 2022 - May 2022

https://arijit-singh-music-player.vercel.app/

This project showcases my skills in web development and my passion for music.

The music player web application offers an extensive collection of over 60 songs by the renowned artist Arijit Singh.
